

It is our hope that you are able to enjoy, relax and learn from the women who are gathered here. We have meetings available throughout the weekend. We hope that you find the environment of the conference one that is welcoming to all, enriches your soul and enhances your program. With the help of some of our friends, and the grace of God, we hope this weekend will fulfill all of your expectations and that you are also able to soak up some of the wonderful beauty that surrounds us. The hospitality room is open to all who attend and we invite you to come and relax and enjoy the fellowship this weekend offers.

- ◆ Contributions collected at the Sunday morning meeting go towards expenses for the 2027 conference, including scholarship funds.
